## Literaturverzeichnis

Im Text nicht erwähnt sind einige allgemeine und weiterführende Darstellungen, wie z. B. Y. Dodge (2003), D. Rasch (1995) und H. Rinne (2008). Weitere Arbeiten hier genannter und anderer Autoren enthält die 11. Auflage dieses Buches sowie der Guide von L. Sachs [Sac86b]. Auf die zitierten Literaturstellen wird durch [Seite xxx] hingewiesen.
